

2023 Request for Consulting Services

The Mid-America Regional Council's (MARC) Planning Sustainable Places (PSP) Program provides local governments with financial support to advance detailed local planning and project development activities in support of *Creating Sustainable Places*, *Connected KC 2050's* Activity Centers and Corridors framework, and the Mid-America Regional Council's adopted policy statement on regional land use direction. The PSP Program will be seeking consulting services to complete a total of eighteen Planning Sustainable Places projects. Further details regarding each project will be available as their individual requests are released. The anticipated timeline for the release of requests is detailed below.
