### Clarification Questions and Responses

1. Question - For contract price, the document states: *Exercise Execution including costs per Facilitator, Evaluator, and Hotwash* Do you want to see the total price for the exercise execution with everything summed up, or do you want to see the exercise execution costs broken out to show what is attributed to the Facilitator, Evaluators, and Hotwash separately?
  
1. Response – Please break out the costs for each facilitator, evaluator, and hotwash and then total it up.
