Why Do We Need the Greater KC Crime Stoppers?

100% Anonymous
CASH REWARDS

There is a saying in police work that "Somebody always knows." Many of these people, however, are reluctant to talk to police for two main reasons...

- Fear of Reprisal
- Apathy – "Why should I get involved?"

The Greater KC Crime Stoppers Program breaks through these barriers. The fear of reprisal is countered by allowing people to remain completely anonymous. **Tipsters never have to speak directly to police or testify in court.**

The offering of cash rewards crosses the barrier of apathy. Although many people do not claim their rewards, the availability of cash is an incentive to many tipsters who may not have otherwise given information, making the Crime Stoppers Program an invaluable asset to our community.
